KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUCION AL USUARIO: Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, find someone to explain it you.)

FIRST AID

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN: This product is a pyrethroid. If large amounts have been ingested, milk, cream or other digestible fats and oils may increase absorption and so should be avoided.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION! Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly after handling and before eating, drinking, chewing tobacco or using the toilet. Remove contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to fish and aquatic invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm, windless weather may reduce the potential for drift. Do not apply when weather conditions favor runoff or soil erosion. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read all directions for use carefully before applying. Only use this product in accordance with the directions for use, warnings and precautions listed on the label. Do not use this product for any purpose or on any site or application not listed on the label.

Do not apply this product directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

Do not apply this product through any irrigation system unless otherwise directed on this label.

Do not allow people or pets on treated turf until sprays have dried. Do not water or irrigate for 24 hours after application.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specified by the Worker Protection Standard (WPS) that are not listed on this label, see the WPS for agricultural use requirements.

Do not use on plants being grown for sale or other commercial purposes or for commercial seed production, or for research purposes, or use on plants intended for aesthetic purposes or for consumption unless specifically mentioned on this label.

Do not use this product in greenhouses.

Do not use this product on turf grown for sale or for use as sod.

Do not use this product on golf courses.

Do not use this product on food handling establishments, food processing plants, commercial food preparation areas, restaurants, or other areas where food is commonly prepared or consumed.

Do not use this product in or on any aquatic areas, including but not limited to ponds, lakes, streams, rivers, estuaries, or coastal waters.

Do not use this product on plants in greenhouses, shadehouses, or lathhouses.

Do not use this product on plants in interiorscapes (the decorative use of plants indoors).

Do not use this product on plants in nurseries, arboreta, botanical gardens, or conservatories.

Do not use this product on plants in containers.
