5.0 FIRE – FIGHTING

5.1 Flash point 200 DEG.F.CC

5.2 Extinguishing Media: Water, Carbon dioxide, Foam, Dry Chemical.

6.0 MANAGEMENT OF ACCIDENTAL DISPERSION

6.1 Individual precautions: Protective clothing

6.2 Methods of cleaning: Sweep up spill, and dispose of in a proper waste receptacle.

7.0 HANDLING AND STORAGE

7.1 Storage: Store in well closed containers away from heat and moisture

8.0 CONTROL OF INDIVIDUAL EXPOSURE/PROTECTION

8.1 Respiratory protection: N/A

8.2. Protection of the hands: Wear gloves if irritating to skin.

8.3 Protection of eyes: Wear protective eyewear.

8.4 Protection of the body: Protective clothing, if irritating to skin.

9.0 PHYSICAL AND CHEMICAL PROPERTIES

9.1 Appearance Clear oil having characteristic hickory smoke aroma

9.2 Boiling point 210 DEG.F

9.3 Specific gravity 1,045 +/-5%

10.0 STABILITY/REACTIVITY

10.1 Stability: Stable under normal conditions.

10.2 Materials to be avoided: No specific incompatibility known

10.3 Hazardous decomposition products Forms carbon monoxide and carbon dioxide
Upon burning.

11.0 TOXICOLOGICAL DATA

Based on our pluriennial large-scale production experience, we consider the product not Toxic/not harmful.

12.0 **ECOLOGICAL DATE**

Not Available

13.0 **DISPOSAL AND DESTRUCTION INFORMATION**

Operating in accordance with local and state laws

14.0 **SHIPMENT INFORMATION**

14.1 Not toxic and not harmful

14.2 Stable under normal conditions

15.0 **OTHER INFORMATION**

This material safety data sheet provides information complementary to that in the user Technical data sheets but does not supersede the latter. The information contained herein is Based on our current knowledge of the product concerned at the date indicated. This Information is given in good faith. In addition, the user's attention is drawn to the risks which may be incurred when a product is used for purposes other than those for which It was designed.

This data sheet in no way exempts the user from the need to be aware of and apply all regulations and statutory requirements applicable to his business. It is the user's Responsibility to take all precautions necessary for the use he makes of this product.
