Net Contents:

(1) 50 g (1.76 OZ) Cartridge

FIRST AID

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

If on skin or clothing

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Poison Control Center at 800-900-4044 for emergency medical treatment information.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION. Causes moderate eye irritation. Harmful if absorbed through skin. Avoid contact with skin, eyes, and clothing. Handlers must wear waterproof gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

ENVIRONMENTAL HAZARDS

For terrestrial uses, do not apply directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate. This pesticide is slightly toxic to fish and aquatic invertebrates.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Use only as directed on this label.

APPLICATION DIRECTIONS:

Use this product to repel birds from small areas where birds roost such as balconies, decks, patios, garages, tool sheds, warehouses, barns, building ledges, outdoor dining, window sills, backyards, and other outdoor areas.

Only for use in Bird B Gone® Bird-Out™ dispensers. Only for outdoor use and in buildings with openings that permit bird access.

APPLICATION DIRECTIONS (Continued):

Place the Bird B Gone® Bird-Out™ dispenser in the area where pest birds are present. Follow the instructions as provided by Bird B Gone® in the dispenser for appropriate installation and use. Activate cartridge by twisting clockwise (right), one quarter of a turn, until you hear a CLICK and you feel it LOCK in place. The click indicates the unit is sealed. If it does not seal leaking may occur. DO NOT turn counterclockwise. Handle with care. Insert Bird-Out™ cartridge into Bird B Gone® Bird-Out™ dispenser. One cartridge covers up to 400 square feet. For best results, replace Bird-Out™ cartridge every 60 days to ensure continuous application.

Use Restrictions:

- Use this product in areas to repel birds that congregate in large numbers, including these passerine birds: starlings (*Sturnus vulgaris*), gulls (subfamily *Larinae*), blackbirds including grackles (Family *Icteridae*), and rock dove and domestic pigeons (*Columba livia*), cliff swallow (*Hirundo fulva*), house (English) sparrow (*Passer domesticus*), house finch (*Corpodacus mexicanus*), American crow (*Corvus brachyrhynchos*, *Corvus ossifragus*) as well as these wild migratory waterfowl: geese (*Anserinae*), mute swan (*Cygnus olor*), and Coot (*Fulica Americana*). These listed birds are reservoirs or vectors for human disease causing agents, bacterial, parasitic, fungal, and ectoparasitic pathogens that can be transmitted to humans and may present a health risk to humans and domestic poultry.
- This product cannot be applied in areas when non-target birds (i.e. those birds not listed above) or Threatened or Endangered Birds may be present.
- Do not apply directly to water, such as lakes, reservoirs, ponds, streams and canals; however, overspray to water bodies can be expected with proper use of this product.

Areas where the above types of wild birds or their drops and humans or domestic birds come in close contact pose a risk to human health and in these settings, birds are considered pests.

Instructions for cartridge mini passive air dispenser

1. Select an area to mount the mini passive air dispenser. Areas with active airflow are best.
2. Prep the surface area before installing the dispenser, using an alcohol wipe.
3. Remove the protective layer from the double-sided adhesive foam pad and stick the dispenser to the wall.

Instructions (Continued):

4. Install the dispenser to the wall using a screw-driver and screws to secure it. Drywall anchors are included and should be used when applicable.
5. Place dispensers with a new cartridge every 400 square feet for best results.
6. Press the button at the base of the dispenser and unlock the cover.
7. Lift the cover of the dispenser so it snaps into place.
8. Place the open cartridge on the base until it snaps and close the cover.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal. **PESTICIDE STORAGE:** Store only in original container, in a dry place inaccessible to children, pets and domestic animals.

PESTICIDE DISPOSAL: Product that cannot be used according to label instructions must be disposed of according to Federal or approved State procedures.

CONTAINER CONTAINER: **Nonrefillable Container:** Nonrefillable container. Do not reuse or refill this container.

If empty: Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY

NOTICE: The directions for use of this product are believed to be adequate and must be followed carefully. To the extent consistent with applicable law, Bird B Gone LLC does not make, nor does it authorize any agent or representative to make any oral or written warranty, guarantee, or representation, express or implied, concerning this material or the use thereof beyond the statements of the label. To the extent consistent with applicable law, neither Bird B Gone LLC nor the seller shall be held responsible in any manner for any claim of personal injury or property damage or loss resulting from handling, storage, or use of this material not in accordance with the written directions. To the extent consistent with applicable law, the buyer assumes all risk and liability resulting from handling, storage, or use, or purchaser accepts and uses this material on these conditions. No other warranty exists.
