FOR USE:

Indoors and outdoors.

KILLS and REPELS:

Flying insects such as stable flies, horse flies, face flies, deer flies, house flies, horn flies, mosquitoes, biting midges, wasps, moths and crawling insects such as cockroaches, ants, carpet beetles, spiders, centipedes, silverfish, dog and cat fleas, Brown Dog and American Dog ticks, and bedbugs.

DIRECTIONS

INDOOR USE: Close all windows, doors and extinguish open flames during treatment. Cover aquaria and remove pets. Apply at a rate of 15 seconds per 30m³ of space. Direct mist upwards in sweeping motions to all parts of the building especially towards windows and other light sources where insects are present. Insects must be contacted to be killed. Keep spray at least 1 m from interior walls, fabrics and furniture to avoid potential staining. Keep room closed for 30 minutes and then ventilate treated areas for 30 minutes before re-entry.

CRAWLING INSECTS: Apply spray to insect hiding places, breeding areas such as baseboards, moist areas, openings around sinks, drains, pipes, behind cabinets and storage areas. If possible, hit insects directly to kill. Spray ant trails, around door sills, window frames or in ant nest. **BED BUGS:** Spray mattress lightly, particularly around seams and tufts. Take beds apart and spray the frames, springs and all joints. Also spray cracks, crevices, baseboards and other possible hiding places around the room. Repeat as required. **FLEAS:** Spray infested areas such as pet's bed and resting quarters, nearby cracks and crevices, along and behind baseboards, windows and door frames, and localized areas of floor and floor covering where these pests may be present. Remove old bedding after treatment. Insects must be contacted to be killed. Do not treat animals with this product.

Outdoor Use: Direct mist upwards in sweeping motions to all areas where insects are congregating such as garages, storage areas, barns, porches, under eaves, and around windows & doors. Insects must be contacted to be killed.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Do not remain in treated areas. Ensure proper ventilation after sealed areas have been treated. In homes or dwellings, cover or remove food and utensils to prevent contamination from spray and dead insects. Cover all food and feed contact surfaces and clean thoroughly with potable water before using. Avoid inhalation of spray. Avoid contact with skin and eyes. Wash after using. **CONTENTS UNDER PRESSURE.** Do not place in hot water or near radiators, stove or other sources of heat. Do not puncture or incinerate can or store at temperatures over 50°C. Do not spray into or near any open flame or spark, or while smoking.

STORAGE: Keep product in cool and dry place, away from open flames and heat sources.

DISPOSAL: When container is empty, press valve to release all remaining pressure then wrap and dispose in regular garbage. Do not puncture or incinerate.

FIRST AID INSTRUCTIONS: If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Contains petroleum distillate. Vomiting may cause aspiration pneumonia. Treat symptomatically.
