

ODORLESS DRAIN OPENER AND  
MAINTAINER

**PART NUMBER(S):**

EQ3550

32 FL OZ (0.946 L)

**Drain Magic™ is a non-fuming liquid that dissolves fats, oils, soap, lint, hair, paper, coffee grounds, food and other organic matter to keep drains & sewers open and free flowing. Drain Magic™ is a high-powered formulation that penetrates clogging masses, converting them to soft pulp that flushes through the system, cleaning and clearing clogged drains. Its powerful formula is heavier than water, so it sinks quickly to the point of obstruction where it keeps drains free flowing and will ensure effective odor control. Drain Magic™ is harmless to plumbing and septic systems, when used as directed. It is not recommended to be used in garbage disposals. WARNING: This product contains, or may contain trace quantities of a substance(s) known to the State of California to cause cancer and/or reproductive toxicity.**

**WHO:** Plumbers, custodians, facility maintenance personnel, hospitality staff, restaurant owners, public works, municipalities, building engineers

**WHERE:** Drains, sinks, bathtubs, showers, sewer laterals, sewer mains

**WHAT:** Fats, oils, soap, lint, hair, paper, coffee grounds, food, organic matter

**FEATURES AND BENEFITS:**

- Acid-free and non-fuming formula
- Heavier than water
- Safe for pipes and porcelain

**DIRECTIONS:** DRAINS: Pour 16-32 ounces slowly into the drain. Allow to work for 30 minutes. Flush drain with plenty of water. For difficult obstructions, a second application may be necessary. LATERALS: Pour 1 gallon of Drain Magic into drain upstream and as close to the obstruction as possible. SEWER MAINS: Pour 2-4 gallon into manhole or drain upstream and as close to the obstruction as possible. For best results, use regularly to keep sewer main open and free flowing. Note: Where there is a history of obstructions, the regular use of this product at weekly intervals (or more often if required) will keep the line open and free flowing.

**ACTIVE INGREDIENTS:** Sodium Hydroxide (1310-73-2), Potassium Hydroxide (1310-58-3), Water (7732-18-5).

**HMIS RATINGS:** Health: 3; Flammability: 0; Reactivity: 1; Personal Protection: D.
