Subject: Label Amendment – revising label per Agency Initiated Letter dated 4/20/2021 to add “in areas inaccessible to children” and qualify the length of duration of efficacy to 35 days per the efficacy review  
Product Name: 000ZZZERO Mosquito Trap  
EPA Registration Number: 91605-2  
Application Date: 4/20/2021  
Decision Number: 573404

Dear Mr. Kutcel:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. **The next label printing of this product must use this labeling unless subsequent changes have been approved.** You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

Decision No. 573404

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Autumn Metzger at 703-305-5314, or Metzger.autumn@epa.gov.

Sincerely,

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. For outdoor use only.

00ZZZERO is a trap that kills *Aedes* spp. mosquito larvae. The larvicide, pyriproxyfen, kills larvae that hatch from eggs flooded by rainwater entering the trap. 00ZZZERO Trap is for used to kill larvae, thereby preventing emergence of adult container-breeding *Aedes* mosquitoes that may transmit Zika, dengue, or chikungunya virus to humans.

Fill the 00ZZZERO Trap to the top with water. Hang the 00ZZZERO Trap from a tree or place on the ground in the garden or under trees/shrubs, etc. Trap must be placed in areas inaccessible to children. For best results, check the water level in the trap periodically, i.e. a week or more after a rainy day. If empty, refill with water. 00ZZZERO Trap will last for up to 35 days.

**STORAGE AND DISPOSAL**

DO NOT contaminate water, food or feed by storage or disposal.

**Storage:** Store unopened container in a cool, dry place until ready for use. Do not store with food.

**Pesticide Disposal:** Wastes resulting from the use of this product must be disposed on site or at an approved waste disposal facility.

**Container Handling:** Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
