

WARNING :: DANGER! FLAMMABLE LIQUID & VAPOR*

Contents are dangerous and highly flammable.
Store in a cool dry area + keep out of the reach of children.

Improper handling can result in injury or death.

CAN BE EXPLOSIVE IF NOT HANDLED CORRECTLY.

ADDED SAFETY MEASURES :: For safety, our fuel bottles are fitted with a flame arrestor in the neck of the bottle to prevent accidental ignition of vapors and fuel inside the bottle.

DO NOT REMOVE FLAME ARRESTOR INSERT!

Removal may result in **INJURY** or **DEATH**.

Danger! Use Extreme Care to Refill Fire Device

- **NEVER** remove the Flame Arrestor!
- **NEVER** fill a burning (lit) fire device!
- **NEVER** put your face over the burner!
- **CAUTION:** Flame may be invisible.
 - Be sure flame is completely out prior to refilling.
- **ALWAYS** Verify device is cool-to-the-touch prior to refilling.
 - Allow minimum 15 minutes to cool down before refilling.
- **DANGER!** Make sure there are no sources of ignition in the room or nearby. (cigarette, candle, etc)
- **NEVER OVERFILL DEVICE.** If you do, wipe it up and allow all residual fuel to evaporate before lighting.
- **ALWAYS** use long handled lighter to light fire (BBQ Lighter)
- **ALWAYS** Read & Heed Device Manufacturer's Instructions.
- **NEVER** allow a child to refill or light device.
- **DANGER!**

Failure to follow instructions can cause **INJURY** or **DEATH!**

American Ethanol™

ISOPROPYL ALCOHOL 99%

HIGH PURITY USP GRADE ALCOHOL WITH NO HARMFUL ADDITIVES

USP GRADE

500 ML :: 16.91 FL OZ

WARNING! FLAMMABLE LIQUID & VAPOR

DIRECTIONS FOR SAFE USE :: PRIOR TO USING

Read ALL safety instructions pertaining to the use of this fuel and your fire device. Always keep an ABC fire extinguisher nearby anytime you are burning ethanol fuel.

READ MANUFACTURERS SAFETY DATA SHEET (SDS) PRIOR TO USE: Complete Safety Information and SDS are available online at: www.american-ethanol.com

STORAGE & HANDLING :: Keep tightly sealed in a cool, dry place and **out of the reach of children**. Do not expose to direct sunlight or source of ignition (flame, lit cigarette, or spark).

CAUTION: ANYONE REFILLING A DEVICE WITH THIS FUEL MUST READ, FULLY UNDERSTAND, & FOLLOW OPERATING INSTRUCTIONS PROVIDED BY DEVICE MANUFACTURER PRIOR TO PLACING FUEL INTO THEIR DEVICE.

CHEMICAL EMERGENCIES :: Call Chemtrec 24/7 800.424.9300
When calling Chemtrec for a spill, fire, exposure or accident, refer to American Ethanol Isopropyl Alcohol
