LIQUA-TOX® II
A Concentrate for Preparing Liquid Baits to Kill Norway Rats, Roof Rats, and House Mice

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Do not confuse LIQUA-TOX® II with any other product in the LIQUA-TOX® II line. Mix the contents of this kit with water to prepare a liquid formulation for baiting. Keep out of reach of children. Do not ingest. Do not breathe vapor. Wash contaminated clothing before reusing. Avoid contact with skin or eyes. Keep out of reach of children and pets. In case of contact, wash affected area with soap and water. If swallowed, call a poison control center or doctor immediately. If in eyes, flush with water immediately. If inhaled, promptly remove victim to fresh air. If on skin, wash with soap and water. If on clothing, remove clothing before washing. Use protective gloves and clothing when handling LIQUA-TOX® II.

FIRST AID

Keep container adequately closed. Store at 5°C (41°F) to 30°C (86°F). Use only as directed.
