FIRST AID

If swallowed:
• Call a poison control center or doctor immediately for treatment advice.
• Have person sip a glass of water if able to swallow.
• Do not induce vomiting unless told to by a poison control center or doctor.
• Do not give anything by to an unconscious person.

If on skin:
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for 15 to 20 minutes.
• Call a poison control center or doctor for treatment advice.

If inhaled:
• Move person to fresh air.
• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
• Call a poison control center or doctor for further treatment advice.

If in eyes:
• Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

The Bayer Environmental Science Emergency Response Telephone No. is 1-800-334-7577.

NOTE TO PHYSICIAN: No specific antidote is available. Treat the patient symptomatically.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed, absorbed through skin, or inhaled. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco.

ENVIRONMENTAL HAZARDS

This product is highly toxic to aquatic invertebrates.
Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate. This product is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area. This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination.

See back label for additional First Aid Instructions, Precautionary Statements, Directions for Use and Storage and Disposal Instructions.
**PRODUCT FACTS**
- Fast acting
- Ready-to-use bait or paint-on application
- Contains a specially formulated mixture of attractions
- Controls flies resistant to organophosphates and carbamates

**MAXFORCE GRANULAR FLY BAIT**
- Ready-to-use bait containing 0.5% imidacloprid
- Contains Bitrex® bittering agent to help prevent ingestion by animals, children and pets.

**CONTROLS**
- Flies

**WHERE TO APPLY**
- Around the outside of structures or partially enclosed or protected areas.
- In and around agricultural production facilities.
- Around the outside of commercial facilities.

**MIXING INFORMATION**
- Ready-to-use scatter bait.
- Paint-on application: Mix the fly bait with water.

**APPLICATION**
- Place in any fly bait station.
- Use 1 bait station to cover approximately 250 sq ft, and add up to 1.6 oz of bait per station. Secure bait stations at least 4 feet above the ground.

**USE RATE**
- 5.7 to 6.3 oz/1,000 sq ft (scatter bait and bait station)

**HOW TO APPLY**
- Scatter application. Place bait in any fly bait station.
- Paint-on application: Mix 1.5 oz bait with 1 fl oz warm water and stir thoroughly. Let stand for about 15 minutes until a paste consistency suitable for painting has formed. Apply the paste with a brush to surfaces where flies rest avoiding surfaces that are dusty.

**RE-APPLY**
- Re-apply every 7 days as needed.

**QUESTIONS??**
- For questions or comments, call toll-free 1-800-334-7577.

**DIRECTIONS FOR USE**
- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**FLY MANAGEMENT**
- For use only around the outside of commercial facilities like canneries, dairy, meat and poultry processing plants, beverage plants, food processing plants, restaurants, bakeries, supermarkets, warehouses, dumps, grease pits, recycling areas, and loading docks.
- For use only around the outside of agricultural production facilities like broiler houses, feedlots, livestock housing structures, and horse stables.
- In horse stables, apply bait only in fly bait stations. Place bait stations in areas inaccessible to animals.

**WHERE TO APPLY**
- For use around the outside of agricultural production facilities like broiler houses, feedlots, livestock housing structures, and horse stables.
- In and around agricultural production facilities.
- Around the outside of structures or partially enclosed or protected areas.

**MANAGEMENT TIPS**
- For Best Results: use the bait as part of an overall Integrated Pest Management program.
- Use proper sanitation and manure management.
- Use along with other materials, or the manner of use or application, all of which are beyond the control of Bayer CropScience LP. All such risks shall be assumed by the user or buyer.

**STORAGE AND DISPOSAL**
- Do not contaminate water, food, or feed by storage or disposal.
- Store in a cool, dry place and in such a manner as to prevent spillage, waste from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Waste Disposal**
- Pesticide Disposal: Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER HANDLING**
- Completely empty container. Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available. Offer for reconditioning, if appropriate. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water and recap. Shake for 10 seconds. Pour into application equipment or a mix tank or store residue for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Dispose of container by offering for recycling or reconditioning, or at an approved waste disposal facility, or by incineration if allowed by state and local authorities.

**IMPORTANT: READ BEFORE USE**
- Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.
- If you use this product, you accept the following conditions.
- Bayer CropScience LP’s election, the replacement of product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid, or at Bayer CropScience LP’s election, the replacement of product.
- Bayer CropScience LP is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein.

**WARRANTIES AND LIMITATIONS OF LIABILITY**
- To the extent consistent with applicable law, Bayer CropScience LP disclaims any liability whatsoever for special, incidental, or consequential damages resulting from the use or handling of this product.

**LIMITATIONS OF LIABILITY**
- To the extent consistent with applicable law, Bayer CropScience LP disclaims any liability whatsoever for special, incidental, or consequential damages resulting from the use or handling of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid, or at Bayer CropScience LP’s election, the replacement of product.
