DO NOT ALLOW CHILDREN OR PETS TO PLAY WITH THE BAITS

CAUTION

FIRST AID

If on skin or clothing:
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for 15 to 20 min.
• Call a poison control center or doctor for treatment advice.

If in eyes:
• Hold eyes open and rinse slowly and gently with water for 15 to 20 min.
• Remove contact lenses, if present, after the first 5 min, then continue rinsing eyes.
• Call a poison control center or doctor for treatment advice.

HOTLINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also call 1-800-832-HELP for emergency medical treatment information.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling.

Storage & Disposal: Place in trash or offer for recycling if available. Call your local solid waste agency for disposal instructions. Non-refillable container.

DO NOT contaminate water, food or feed by storage or disposal. Store in a cool, dry area. Always store pesticides in the container. Filled: Non-refillable container. Place in trash or offer for recycling if available. If Empty: Call your local solid waste agency for disposal instructions. PEDESTRIAN DISPOSAL: PEDESTRIAN DISPOSAL: Place bait stations in or near insect harborage sites. Ants are attracted to the bait and it is carried back to the nest to kill the queen and destroy the colony. Baits are packaged in a child-resistant container.

Waste resulting from use of this product may be stored and disposed of in accordance with all Federal, State, local, and municipal regulations.
