Nature-Cide®

FLEA & TICK INSECTICIDE

A light, gentle spray or stream in any problem area will Kill by Contact Ticks (brown dog) and Fleas (cat flea adults and larvae). Nature-Cide Flea & Tick Insecticide is Non-Hazardous and Non-Flammable. There are no known health risks to humans, animals or the environment when this product is used as directed.

DIRECTIONS FOR USE: Read entire label prior to use; using as directed. Shake well before each use. Spray surfaces and pets from a distance of 8-12 inches, directly spraying listed pests whenever possible. Spray until wet, but not to the point of runoff.

FLEA & TICK AREA TREATMENT: Adjust nozzle to 'spray' and apply product to pet beds, pet resting areas, nearby cracks and crevices, and floors around pet activity. Thoroughly treat areas where pets and wild animals rest.

FLEA & TICK PET TREATMENT: Spray pets (older than 12 weeks of age), taking care to avoid animal's eyes, nose, mouth and genitalia and any open wounds or abrasions. Start by spraying the animal from the tail and working toward the torso. Make sure to treat the entire coat of the animal including legs, tail and underbody. Fluff the hair backward to help the spray penetrate through the coat and down to the skin. Repeat as necessary. Pets may be treated indoors or outdoors. In order to help reduce the occurrence of fleas and ticks, this product is best if used year round. Sensitivities may occur after using ANY product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue and prior to using on medicated, debilitated, aged, pregnant or nursing animals consult your veterinarian.

STORAGE AND DISPOSAL:

STORAGE: Store in a cool, dry area out of reach of children.

DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available, otherwise, discard in trash.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor for treatment.

This product has not been registered by the United States Environmental Protection Agency. Pacific Shore Holdings, Inc. represents that this product qualifies for exemption from registration under FIFRA Section 25(b).
