	Total100.0000

KEEP OUT OF REACH OF CHILDREN CAUTION

See [(back)(side)(other)] panel[s] for additional Precautionary Statements

EPA Registration Number 84418-1		
EPA Establishment Number:		
Net Contents:		

When PiGNX® Caulking Gel is applied according to application specifications, pigeons will not return to treated area for 30 days or longer if gel is left intact and undisturbed. Reapplications will be required on an as-needed basis in areas of high pigeon pressure where the product gel has been disturbed or removed due to foot contact by pigeons.

PiGNX® is a repellent, it is not an avian toxicant.

Use as directed. Please read entire label prior to use.

[Residential use sites]

Typical application areas include but are not limited to residential buildings (such as residential rooftops, canopies, windowsills, ledges, beams, conduits, awnings, and patios), and other residential structures (such as statues, garages, barns, and shed).

[Commercial use sites]

Typical commercial application areas include but are not limited to buildings (such as rooftops, canopies, windowsills, ledges, beams, conduits, awnings, water lines, parapets, fascias, sub roofs and walls, and cooling units), and other structures (such as statues, bridges, signs, sheds, and overhangs).

Note to reviewer: Language within brackets is optional. If brackets and parenthesis are present, one of the options within the parenthesis must be chosen.

Precautionary Statements

HAZARDS TO HUMANS and DOMESTIC ANIMALS CAUTION

Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. [For MSDS, contact 1-866-744-6988].

FIRST AID	
If Swallowed	 Call a poison control center or doctor immediately for treatment advice.
	 Have a person sip a glass of water if able to swallow.
	Do not induce vomiting unless told to by a poison control center
	or doctor.
	 Do not give anything to an unconscious person.
If On Skin	Take off contaminated clothing.
	 Rinse skin immediately with plenty of water for 15-20 minutes.
	 Call a poison control center or doctor for treatment advice.
If In Eyes	 Hold eyes open and rinse slowly and gently with water for 15-
	20 minutes. Remove contact lenses, if present, after the first 5
	minutes

HOTLINE

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For general information on product use, etc., call the National Pesticides Information Center at 1-800-858-7378. For emergencies, call the poison control center 1-800-222-1222.

Environmental Hazards:

FOR TERRESTRIAL USES. This product may be toxic to aquatic organisms. Do not apply or allow runoff to reach lakes, streams or ponds. Do not contaminate water by cleaning off equipment or disposal of equipment washwater or rinsate. Do not dumb water into sewers or other bodies of water.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in any manner inconsistent with its labeling.

Application Instructions: Use one 10 oz. tube for every ten (10) linear feet. Lay down a continuous bead of PiGNX® Caulking Gel in a zigzag pattern using at least a ½ inch bead that will allow the pigeons to easily and frequently step on the gel (larger beads up to 1 inch are acceptable depending on treatment surface characteristics). Do not apply more than one 10 oz. tube per application (0.00357 oz. active ingredient/10 linear feet). Use as necessary to treat roosting areas gathering areas, reproduction areas and other surface areas where pigeons frequent to ensure complete bird dislocation is maintained. Clean and dry surfaces before application for best results. If surface cannot be cleaned before application, PiGNX can be applied on top of soiled and damp surfaces if necessary. PiGNX® can be applied to indoor and outdoor surfaces, which include wood, metal, plastic, tile, brick, cinderblock, and cement. Apply PiGNX® at

Note to reviewer: Language within brackets is optional. If brackets and parenthesis are present, one of the options within the parenthesis must be chosen.

PiGNX Master Label EPA Reg. No. 84418-1 4-26-19 20°F to 90°F (-7°C to 32°C). Do not apply in wet or snowy weather for best results. Installation works best when surfaces are clean and dry. Easy-to-apply tubes fit into a standard caulking gun.

Do not expose yourself directly to bird feces.

- 1. Cut end of tube off at the nozzle stem.
- 2. Screw on applicator nozzle and use directly or cut off nozzle tip for a larger bead half way down the application tube.
- 3. Load and lock PiGNX tube into standard caulking gun.
- 4. Slowly pull caulking trigger. There is very little product resistance—be careful as it can come out of tube.
- 5. Lay down continuous bead of PiGNX Caulking Gel in a zigzag pattern so birds will step in the gel.
- 6. Excess applied gel form tube may be cleaned with a clean, dry rag or paper towel.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Do not store this product above 140°F or below 20°F for extended periods of time. Keep containers tightly closed and product in original containers when not in use.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at any approved waste disposal facility.

Container Disposal: Non-refillable container. DO not reuse or refill this container. Offer for recycling, if available. If not available, dispose of in a sanitary landfill, or incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

WARRANTY

To the extent consistent with applicable law, BRSI warrants that this product conforms to the chemical description on the product label and is reasonably fit when used in accordance with the directions for use. However, it is impossible to eliminate all risks inherently associated with the use of this product. This warranty does not extend to the use of this product in a manner inconsistent with its labeling or when used under abnormal conditions, such as adverse weather conditions and presence of other materials. These factors are beyond the control of BRSI or the Seller. All such risks shall be assumed by the Buyer.

To the extent consistent with applicable law, BRSI makes no other express or implied warranty and it expressly excludes and disclaims all implied warranties of fitness or merchantability for a particular purpose. To the extent consistent with applicable law, BRSI or the Seller are not liable for consequential, special, or indirect damages resulting from the use or handling of this product.
