

# SILVERFISH MONITOR & TRAP

Irresistible Silverfish Trap captures Common Silverfish and Grey/Long-Tailed Silverfish.

Unique attractant is highly appealing to Silverfish... 3 times more attractive over other Silverfish traps.

Wings over the trap windows are designed to keep out dust & disperse attractant.

Individually packaged attractant to stay fresh and potent until you're ready to use it. Attracts 6-8 weeks.

Double-sided tape on the bottom of trap allows trap to be placed just about anywhere and stay there.

Discreet low profile design for use in tight places: under pallets, equipment, furniture, behind cabinets, desks, beds, closets, etc.
