

DEFOAMER

SA-50 Brand Defoamer is a silicone based material that is designed to reduce foam in spray tanks and dip tanks.

Active Ingredient:

Organo/modified Polysiloxane	10%
Inert Ingredients	<u>90%</u>
Total:	100%

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

May be harmful if swallowed. Avoid breathing spray mist. Avoid contact with eyes and skin. Wash thoroughly after using. Keep from FREEZING.

NON-WARRANTY: Seller makes no warranty, expressed or implied as to the use of this material. Buyer assumes all risk and liability for results obtained by use or handling of this material whether or not in accordance with the directions or claimed so to be.

Directions for use

Use Defoamer when it is necessary to reduce the amount of foam in the spray tank. Foam develops in the tank when highly emulsified agricultural chemicals and surfactants are placed in the tank during the filling and agitating operation.

Rate of Application:

Use 1 - 2 oz. per 100 gallons of solution (1/2 teaspoon for a 4 gallon tank) depending on the amount of foam present.

**Net Contents Liquid:
1 Quart (.946 liters)**
