Safer[®] Garden

BRAND

ANIMAL REPELLENT

Safer[®] Brand Garden Animal Repellent is a unique, long-lasting formula containing active ingredients that irritate animals when they smell or taste the product. This product can be used to effectively repel armadillos, birds, cats, chipmunks, deer, dogs, groundhogs, rabbits, raccoons, shrews, skunks, squirrels, moles, porcupines, and voles. Use it to protect garden areas, flowers, shrubs, plants, trees and vines. This product dries odorless to humans and is safe for use around people, pets, and plants when used as directed.

How it Works: Safer[®] Brand Garden Animal Repellent contains natural scent and taste deterrents that create an unpleasant environment for these animals, causing them to find food and shelter elsewhere.

Use Restrictions: For outdoor use only. Do not apply to food or feed crops or directly to water. Do not apply at temperatures below 40°F or in wet, windy conditions.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USE! This product may damage certain plant species and hard surfaces. Before full application, first test product on small area to ensure damage or staining does not occur. Apply only in dry conditions favoring prompt drying of spray (mild weather with a light breeze and low relative humidity).

DO NOT APPLY this product if bees or other pollinators are foraging in the treatment area.

This product has not been registered by the United States Environmental Protection Agency. Safer, Inc. represents that this product qualifies for exemption under the Federal Insecticide, Fungicide and Rodenticide Act.

Note: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.

Foliage Protection: Apply this product when first signs of damage appear or when nuisance animals are seen on your property. Spray plant leaves, stems, flowers, branches and around plant perimeter. Reapply this product every 30 days, or as new growth occurs. More frequent application may be needed during periods of prolonged, heavy or frequent rainfall. **Bulb and Seed Protection:** Before planting bulbs, remove old skin and soil, then spray bulb thoroughly. Spray seeds at time of planting. **Hard Surface Protection:** Test small area to check for staining. Spray surface thoroughly.

STORAGE & DISPOSAL

STORAGE: Store at room temperature away from children and pets. Keep from freezing.

DISPOSAL AND CONTAINER HANDLING: Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Avoid breathing mist/vapors/spray. Avoid contact with skin and eyes as product may cause irritation or allergic reaction in some individuals. Do not spray on people or pets.

FIRST AID

IF IN EYES:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If irritation persists, call a physician for treatment advice.
IF ON SKIN OR CLOTHING:	Wash skin thoroughly with soap and water. Wash contaminated clothing before reuse. If irritation persists, call a physician for treatment advice.
IF INGESTED:	Rinse mouth out with water. Do not induce vomiting. Call a physician for treatment advice.
