

Phite 0-0-26

Potassium Phosphite Fertilizer

Phite 0-0-26 is a blended potassium phosphite product designed to improve overall stress resistance and maximize turf performance. **Phite** contains a powerful 3.47 lbs of phosphorous acid per gallon driving plant strength and health. Phosphites may not be tank compatible with calcium-based fertilizers. Do not mix with copper-based products. Do not exceed a 2% v/v solution for foliar applications

| Applications | Rates & Comments |
|---|--------------------------|
| Cool and Warm-Season Turf | 2-6 oz. per 1000 ft. sq. |
| Use biweekly throughout growing season. Use lower rates on a more frequent basis or during non-stressful times. | |
| Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rains are expected. Apply this product only to your lawn/garden | |
