KEEP OUT OF REACH OF CHILDREN

CAUTION: See bottom panel for First Aid and additional Precautionary Statements

Active Ingredient:
Metofluthrin.....5.50%
Other Ingredients.....94.50%
Total.....100.00%
Contains petroleum distillate

Net Contents:
5 Thermacell Cartridges
Net Contents 1 fl oz. each
Total 5 fl oz.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Using cartridges

- Refer to device instructions for installation instructions.
- Use only Thermacell repellent cartridges in Thermacell repeller systems. Thermacell will not be responsible for damage, injury or poor product performance caused by use of any other refills or unapproved replacement parts in Thermacell devices.
- Keep refills closed and in a cool, dry place until ready to install.
- Remove cartridge top before installation
- Replace repellent cartridges when repeller system is turned off.
- Do not touch or remove the wick.
- Always replace repeller cover before operating.
- Keep the refill cap for storage or disposal.

Use and Care Tips

- If using multiple repellents, space repellents 11 ft feet apart for continuous protection.
- Inspect refills monthly for signs of leakage or other damage to wick or cartridge
- Partially used cartridges should be removed from the device and capped prior to storing for extended periods of time.

Troubleshooting

- If you are still bothered by mosquitoes during use:
 - Confirm cartridge is fully installed and has repellent.
 - Inspect the wick to confirm it is not damaged.
 - Be sure repellents are located within 11 ft of area where protection is desired.
 - Allow system to run for up to 15 minutes.
 - Call or email customer service if you experience any problems.
