Directions for Use:

Countertops & other hard surfaces: Spray surface directly and wipe dry.

For mopping: Use 1/4 cup per gallon of water; mop as usual.

Furniture and upholstery: Spray directly onto surface and allow to dry.

Carpet cleaners and steam cleaners: Use 1 fl oz per gallon of water.

Washing machines: Use 1/4 cup per load.

Foggers: Mix 1:1 with water, or use full strength.

Litter Boxes: Spray lightly on the surface; do not to saturate the litter.

Automobiles: Spray carpet & upholstery and allow to dry. For headliners, spray lightly.... do no soak.

Decaying organic matter: If possible, remove the decaying matter. Spray the remaining residue directly. If removal is not possible, thoroughly spray directly on the source. Repeat if necessary.

Pets: Spray coat directly. Work it into the fur for really tough odors. Rinse animal thoroughly with water. Repeat if necessary.

INGREDIENTS: Water, natural extracts, emulsifier.

STORAGE: Store in a cool, dry place.

DISPOSAL: Rinse container with water and place in trash or offer for recycling.

**CAUTION: KEEP OUT OF REACH OF CHILDREN
AVOID CONTACT WITH EYES**
